Description: Purveyor of extraordinary music and an arbiter of cool, Blue Note is the definitive jazz label—signing the best artists, pioneering the best recording techniques, and lead cover design trends with punchy, iconic artwork and typography that shaped the way we see the music itself. The roster of greats who cut indelible sides for the label include Miles...

Review: Wow. Wow! This is a sumptuous, beautiful, informative, and interesting book, published on the 75th Anniversary of Blue Note Records, for deep fans (like me) of the label. My copy, published by Thames & Hudson (England) is quality through and through. The thick paper stock is a beautiful matte finish (some may have wanted a glossier stock), and...
